

The EMC host hotel, the Hyatt Regency Coconut Point, is currently fully booked on the night of Tuesday, November 5. We understand this may cause inconvenience, and we sincerely apologize.

The AFIA is working diligently with the hotel to secure additional rooms for EMC attendees. However, in the meantime, we recommend booking an alternative hotel for the night of Tuesday, November 5.

Here's what you can do:

1. Reserve your room for the remaining conference nights (excluding Tuesday, November 5) in the AFIA EMC block at the [Hyatt Regency Coconut Point](#).
2. Book an alternative hotel for the night of Tuesday, November 5 (see options below).
3. Please notify Jessica Morse at jmorse@afia.org to be placed on the waiting list for the Hyatt Regency Coconut Point on Tuesday, November 5. If additional rooms become available, we will prioritize attendees on this list and contact them directly.

We appreciate your understanding and apologize for any inconvenience this may cause. We look forward to seeing you at the EMC in November!
