

Join Us For **African Swine Fever Action Week**

September 13-17, 2021

The U.S. Department of Agriculture's Animal and Plant Health Inspection Service invites you to join us September 13-17 for daily webinars on African swine fever and its global spread, actions APHIS is taking to safeguard the United States, and biosecurity measures you can implement now to protect the U.S. herd.

Sign up for our Stakeholder Registry to receive daily updates during Action Week, including resources you can print, post, and share. Register for as many webinars as you would like. *After you register, you will receive a confirmation email with additional details.*
